

Carta de Francisco Ayala a William Luscombe (29/08/1964)

August 29, 1964.

Mr. William Luscombe,

Michael Joseph Ltd.

London.

Dear Mr. Luscombe:

Back at home in New York City, I am sending you these lines in order to enclose some clips of the criticism given here to the American edition of *Death as a Way of Life*. Perhaps they can be used in your promotion campaign for the English one. I am ready to provide you with any other material you may need.

If you consider that it would be of help, please send me a set of printing proofs. I wil [sic] read them without delay and communicate you whatever observation they suggest to me.

Sincerely yours

Francisco Ayala
